DETAILED ACTION

Reasons for Allowance

The supplemental reissue declaration submitted February 27, 2007 is persuasive to overcome the rejections set forth in the prior office action. Particularly, the declaration has identified at least one error correctable by a reissue application.

It is noted that APPENDIX B-PENDING CLAIMS submitted August 22, 2006 does not list the status of claims 45-91, which were in the application and were previously cancelled. Applicants agree to let the examiner put a new set of pending claims in which the pending claims are identical to those filed August 22, 2006, but the status of claims 45-91 are disclosed.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Shengjun Wang whose telephone number is (571) 272-0632. The examiner can normally be reached on Monday to Friday from 7:00 am to 3:30 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Sreeni Padmanabhan, can be reached on (571) 272-0629. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
